## 12 MOTORIZED THROTTLE BODY

*Other sub-sections concerned:* 17

- Engine: **XXX EURO 2000 and IF 2005**
- Gearbox: **XXX**

We inform you that none of the motorized throttle can be repaired.

After removal of the motorized throttle body, it is absolutely forbidden to:

- modify the position of the stop screws,
- open the throttle body.

"The repair methods given by the manufacturer in this document are based on the technical specifications current when it was prepared.

The methods may be modified as a result of changes introduced by the manufacturer in the production of the various component units and accessories from which his vehicles are constructed."
